4. CODE OF CONDUCT

4.1 Player Code of Conduct and Offences

- 4.1.1 The PSWL will adopt from time to time and modify as appropriate to its Competitions the Code of Conduct published by Cricket Australia and the International Cricket Council (ICC), which contains details of undesirable conduct. The Code of Conduct is set out in clause 4.1.3.
- 4.1.2 All players, umpires and officials competing in the PSWL Competition are bound by and required to comply with the Code of Conduct published in these Rules.

- 4.1.3 The following offences are adopted from the Cricket Australia Code of Conduct and for illustrations of the application of each, reference should be made to the guidelines that accompany the Cricket Australia Code of Conduct (reproduced in the boxed section below each Offence below). The provisions of the Rule itself take precedence over any guidelines.

LEVEL 1 OFFENCES

- 1.1 Abuse cricket equipment or clothing, ground equipment or fixtures and fittings.

Includes actions outside the course of normal cricket actions such as hitting or kicking the wickets and actions which intentionally or negligently result in damage to the advertising boards, boundary markers or any part of or the contents or any building or structure at the ground.

- 1.2 Show dissent at an umpire's decision.

Includes excessive, obvious disappointment with an umpire's decision or with an umpire making the decision and obvious delay in resuming play or leaving the wicket.

Excessive shall mean repeated appealing when the bowler/fielder knows the batsman is not out, with the intention of placing the umpire under pressure. It is not intended to prevent loud or enthusiastic appealing. However, the practice of celebrating or assuming a dismissal before the decision has been given may also come within this Rule.

- 1.5 Point or gesture towards the pavilion in an aggressive manner upon the dismissal of a batsman.

Includes charging or running up to the batsman and "getting in his [or her] face".

Dissent should be classified as serious where the dissent is expressed by a specific action such as the shaking of the head, snatching cap from the umpire, pointing at pad or bat, other displays of anger or abusive language directed at the umpire or excessive delay in resuming play or leaving the crease.

This Rule does not prohibit the bowler involved in the decision or a team captain from asking an umpire to provide an explanation for a decision, or the captain from commenting on the umpire's performance in their Captain's report.

- 2.2 Engage in inappropriate and deliberate physical contact with other players or officials.

Without limitation, players will breach this Rule if they deliberately walk or run into or shoulder another player, official or match official.

This is language or gestures which are directed at another person. See comments under Rule 1.3 above in relation to the seriousness of the breach.

2.7 Change the condition of the ball in breach of law 42.3.

Prohibited behaviour includes picking the seam or deliberately throwing the ball into the ground for the purpose of roughening it up and the application of moisture to the ball other than perspiration and saliva.

2.8 Without limiting Rule 8, attempt to manipulate a Match in regard to the result, net run rate, bonus points or otherwise. The captain of any team guilty of such conduct shall be held responsible.

Includes appealing in an aggressive or threatening manner.

LAWS OF CRICKET AND 'SPIRIT OF THE GAME'

5. Players must obey the 'Laws of Cricket' and play within the spirit of the game.

This is meant as a general Rule to deal with situations where the facts of, or gravity or seriousness of the alleged incident are not adequately or clearly covered by the Level 1 to 4 offences set out above.

Conduct which will be prohibited under the Rule includes time wasting and any other conduct which is considered "unfair play" under Law 42 of the Laws of Cricket.

This Rule is not intended to punish unintentional breaches of the Laws of Cricket.

Reference may be made to any statement or explanation of the Spirit of Cricket published in conjunction with the Laws of Cricket.

Nothing in this Rule or the Code alters the onus on the captain to ensure that the Spirit of the Game is adhered to as stated and defined in the preamble to the Laws of Cricket.

UNBECOMING BEHAVIOUR

6. Without limiting any other rule, players and officials must not at any time in a cricket related situation engage in behaviour unbecoming to a player or official that could bring them or the game of cricket into disrepute or be harmful to the interests of cricket.

This is also meant as a general Rule to deal with situations where the facts or, or the gravity or seriousness of the alleged incident are not adequately or clearly covered by the Level 1 to 4 offences set out above.

4.3.4 Umpires must lodge Code of Conduct complaints with the Competitions Manager no later than 12 noon on Monday following completion of a match in which the alleged offence occurred. Failure by an umpire to comply with this clause does not invalidate the complaint made.

4.3.5 Any player reported by an Umpire must have the complaint referred to the Disciplinary Committee who shall:

- (a) Consider the complaint and the level of offence, if any, for which the Club, player or official is alleged to have committed; and

For a delivery to be fair in respect of the arm the ball must not be thrown (excerpt from Law 21.2); and

A ball is fairly delivered in respect of the arm if, once the bowler's arm has reached the level of the shoulder in the delivery swing, the elbow joint is not straightened partially or completely from that point until the ball has left the hand. This definition shall not debar a bowler from flexing or rotating the wrist in the delivery swing (Law 21.3).

- 5.9.2 In all PSWL Competitions this Law is modified so that a “no-ball” will only be awarded for a breach of Law 21 if it is considered by the umpire that the bowler deliberately threw the delivery, but not because of doubt about the player's general bowling action for which the player has not received a warning under clause 5.9.
- 5.9.3 In the interests of the player concerned and PSWL Competitions, it is permissible during a match for the umpire to warn the bowler, captain or coach that he considers the bowler's action to be unfair and if he continues to bowl his action may qualify for a “no-ball” call under Law 21, note it on the match report and advise the PSWL Umpiring Manager.

- (c) Fairness to the Club should take into account that the player has agreed to play for that club for the Season upon agreeing to register with the Club for that Season only, and the Club has an expectation that the player will play the entire season for that Club.
- (d) If a doubt exists then the benefit of that doubt should be given to the Club.
